

Internship: Global Business Services and ICT team

At **Invest Lithuania**, you'll be co-creating the country's future. We are an ambitious team making Lithuania the choice for global business. Here, your efforts and insights will turn into strategies of national significance and the largest foreign investment projects. Working with us, you'll contribute to real change.

Currently we are looking for an ambitious, energetic and professional Intern to join our Global Business Services & ICT team! The GBS team works with the biggest global corporations with the goal of convincing them to set up their operations in Lithuania. With names such as Danske Bank, Nasdaq, Citco, Dexcom or Yara already in Lithuania, you will contribute towards helping Lithuania welcome more companies of strategic significance.

The internship offers flexible working hours and, if necessary, a hybrid work arrangement. On-site internships will be held at our office located at Upės g. 23, Vilnius. The anticipated duration is between 3 - 6 months, to be confirmed during the interview process. Funding for the internship will be sourced from the 'UPinLT' project. For more information, please contact your university staff. To apply, please send your CV or resume to justas.sankauskas@investlithuania.com.

We invite you to:

- Contribute to the preparation of insights and analysis for investor visits.
- Analysis of the financial services, technology and manufacturing industries, tailored to the needs of the Lithuanian economy.
- Conduct research on foreign markets.
- Take part in social initiatives that aim to improve Lithuania's investment climate.
- Provide day-to-day support in various tasks.

We expect you to have:

- Fluent in English.
- Excellent written communication skills.
- Basic knowledge of foreign and Lithuanian businesses, investment environment and industry trends.
- Strong diplomatic, inter-personal and inter-cultural communication and presentation skills.
- Enthusiastic, good team-player and proactive.
- Computer literacy.

We offer:

- Opportunity to work with largest multinational corporations and top industry influencers.
- Our expertise and access to various sources of information that will improve your overall economic, political, cultural knowledge and understanding.
- Challenging tasks.
- Young and friendly team.
- Dynamic and result-driven working environment.
