International Summer School
June 27 - July 25, 2014
University of Seoul

About the Program

The International Summer School (ISS) program at the University of Seoul (UOS) was first established in 2000, and it has provided international students with a great opportunity to learn about Korean culture and tradition. Reorganized in 2005, the ISS has been receiving an increased amount of funds from the Seoul Metropolitan Government and offers various incentives to participants coming from UOS partner universities and many prestigious universities all over the world.

Specialties of the Program

★ UOS Buddy Program!

: UOS offers a buddy program for international students. The buddies are UOS Korean students who help international students adjust to life in Korea. The UOS buddies offer welcome pick-up service at Incheon International Airport, and participate in most of the programs offered by the ISS with all the international students.

★ Mingling with Friends from All over the World!

: In 2014, you can build a global network by making many friends from Australia, Austria, Brazil, Canada, Chile, China, Czech Republic, Finland, France, Germany, Israel, Kazakhstan, Lithuania, the Netherlands, Portugal, Slovenia, Spain, Sweden, Taiwan, Thailand, UK, USA, and more.

★ Chance to Explore Jeju Island in Korea!

: A 4-day field trip to Jeju Island in Korea will give you a better understanding about Korea.

★ Various Field Trips and Cultural Activities

: To learn about Korea's past, present and future, you can experience various kinds of activities while visiting meaningful spots in Korea such as Changdeok Palace (UNESCO World Heritage), Bukchon's Hanok Village, and JSA (Joint Security

Area). Activities like learning Taekwondo (Korean martial arts), making Korean traditional masks, or watching NANTA Show will create unforgettable memories as well.
