

# LONDON INTERNATIONAL GRADUATE SUMMER SCHOOL

If you were offered the chance of a lifetime you'd take it, right? The London International Summer School at the University of Westminster, London offers you just that.

Anyone who has studied in a foreign country will tell you that it was a defining moment in their life. This life changing experience offers you the chance to study, and experience a summer in the heart of one of the world's most exciting cities.

This graduate Summer School offers you the opportunity to gain academic credit and advance your career prospects whilst experiencing the richness and diversity of being a student at the University of Westminster. Being in the heart of the business capital of Europe puts us in an advantageous position, where we can provide site visits to City locations and bring working professionals into the classroom on a regular basis to share their experience with our students.

Our programme endeavours to meet the needs of those aiming for or pursuing a career in business, enhancing their knowledge, skills and professional competence.

## WHAT CAN I STUDY?

We pride ourselves on being one of the most international business schools in the UK and a founding member of the International Business School Alliance with a network of international partnerships.

Our staff are at the forefront of innovation in learning and teaching, developing new approaches which are student-centred and focused on preparing you for the real needs of a changing professional workplace.

Our International Business Postgraduate Summer School offers you the opportunity to take classes in the subjects of Business Information Management and Operations Management, Economics and Quantitative Methods and Human Resources Management. Examples of some of the classes on offer are:

- Business Process Integration with SAP
- Global Financial Markets
- Human Resource Strategies for the International Manager
- Project Management

"I really enjoyed being taught by someone who had managed projects in several different countries. It brought in perspectives that I otherwise wouldn't have understood."
