

**Vilnius
University**

INVITES ORGANISATIONS
TO INVEST INTO THE FUTURE
OF THEIR FUTURE EMPLOYEES

Every scholarship you establish today will support your potential future employees to acquire university education.

SCHOLARSHIP FOR FUTURE STUDENTS FROM SOCIALLY SENSITIVE BACKGROUND

Vilnius University is the only university in Lithuania that awards scholarships to applicants from socially vulnerable groups before the start of their studies to encourage them to pursue education (450th anniversary scholarships).

THE SCHOLARSHIP IS SPECIFICALLY IMPORTANT TO:

THOSE WHO ARE FACING FINANCIAL
DIFFICULTIES

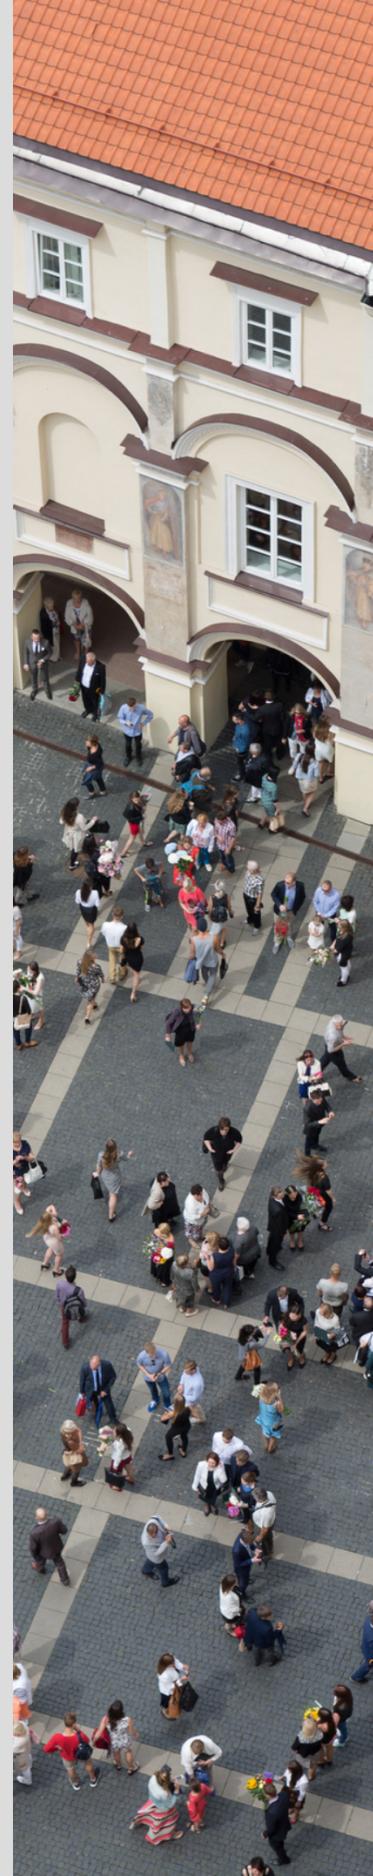

ORPHANS

THOSE WHO ARE THE FIRST SEEKING
HIGHER EDUCATION IN THEIR FAMILIES

ANYONE WITH DISABILITIES

ANYONE RAISING MINOR CHILDREN

THOSE WHO COME FROM A LARGE
FAMILY

Vilnius University established
this scholarship with its own
funds for 100 future students.

Each additional scholarship you
establish in a specific study program
will create an opportunity to obtain
higher university education for a
larger number of applicants.

DISTRIBUTION OF SCHOLARSHIPS

The applicant receives the confirmation about the awarded scholarship together with the invitation to study at VU

Students who have applied for a scholarship are asked to prove that they meet set requirements

The scholarship is paid for 10 months – 300 euros each

The size of the scholarship for one student is 3000 euros

COOPERATION PROCESS

In the first meeting, the INTEREST OF THE ORGANISATION is discussed.

Specific study program(s)/ department(s)/ study field(s) are identified, to which the scholarship is established.

A SUPPORT CONTRACT is signed between the organisation and Vilnius University.

In correspondence to the expressed interest, name of the organisation AS ONE OF THE FOUNDERS OF THE SCHOLARSHIP is mentioned in the descriptions of the targeted study programs, in program presentations.

It is possible to continue communication with students by inviting them to do internships in the organisation, etc.

INFORMATION ABOUT 2022

~4200 students entered VU

>300 applications were submitted for the 450th anniversary scholarships

~3000 students, who moved to Vilnius after the enrolment at VU

110 students received scholarships

The purpose of the scholarship is to reduce the problem of social exclusion in Lithuania, to increase the accessibility of university education and to help first-year students from socially sensitive groups, enrolled at the University's Bachelor and integrated studies, adapt to the new environment.
