

International Summer University (ISU)

of Germany in Osnabrück

Hochschule Osnabrück
University of Applied Sciences

ISU

Study in Germany: 3 weeks, 7.5 ECTS
Dates: July 20 – August 10, 2012

„At the heart of Europe“

This exciting, three-week long summer university is taught in English. You can choose from one of the following topics:

- Global Marketing Management
- Healthcare Management
- International Physiotherapy
- International Human Resources
- International Business
- European Integration
- Management Simulation/Business Game

Your choice is then combined with classes on „Germany in Europe“, an introduction to German language and culture, intercultural coaching as well as study trips (e.g. Berlin, Paris), company visits and a cultural program.
