Important Notice Regarding Courses	
Korea University Sejong Campus has student limitation quota at each department/classes, so we cannot guarantee students will be able to take ALL the courses they wish to take. Therefore, if the students have any essential courses they need to take for graduation, we suggest them to take it at your home university. It is strongly recommended for students to make their backup plan before they apply.	
How do I know what courses will be offered before?	
Please refer to the course list from the previous year. For example, if you are coming in Spring or Fall 2021, then you may refer to the list offered in Spring or Fall 2020. There may be little changes between the years but the list is likely to remain similar. ※ The list offered in Spring and Fall may differ so please make sure you check the relevant semester of your choice.
