5	150	32	118

Purpose of the course unit (module): programme competences to be developed		
<p>The aims of the course are to provide students with a comprehensive understanding of Ukraine's cultural and historical identity through the study of its images and symbols in literature, art, cinema, and historical narratives. The module aims to develop an appreciation for the role of national symbols in shaping collective identity and fostering dialogue with global cultures, while also encouraging critical reflection on Ukraine's postcolonial experience and its cultural evolution. Develop the ability to analyze and interpret cultural symbols and their role in national identity formation. Gain a nuanced understanding of Ukraine's cultural heritage in its historical and global contexts. Combine knowledge from history, literature, art, and film studies to create a holistic view of Ukraine's cultural evolution. Explore connections between national traditions and global cultural trends.</p>		
Learning outcomes of the course unit (module)	Teaching and learning methods	Assessment methods

<p>Students will acquire:</p> <ul style="list-style-type: none"> - the ability to plan time and observe deadlines (complete assignments on time); Identify key historical events and processes that have shaped Ukraine's cultural identity; - explain the role of geography and history in the formation of Ukraine's national symbols and traditions; - interpret and critically assess the use of Ukrainian images and symbols in literature, art, and cinema; - understand the transformation of national symbols across different historical periods, including their role in postcolonial discourse; - analyze literary texts, artworks, and films to understand their cultural and symbolic significance; - examine how Ukrainian creators represent national identity, historical memory, and cultural traumas in their works. 	<p>Interactive lectures and seminar discussions; analysis of theoretical texts and empirical material, oral presentations, practical exercises.</p>	<p>Cumulative evaluation: constructive participation in seminars, oral presentation, examination (could be split into mid-term and final) and an essay project.</p>
