

## Action Plan No. 1 (Vilnius University Employee/Student with Confirmed COVID-19)

<sup>1</sup> If a colleague/student finds out about an employee/student with confirmed COVID-19, he/she informs the Civil and Work Safety Department.

<sup>2</sup> **Contacts** – name, surname, date of birth, job role and phone number.

<sup>3</sup> **Person who had direct contact** – an individual who interacted with a COVID-19 patient **72 hours** before or **14 days** after the onset of symptoms or an individual who interacted with a COVID-19 patient (who had no symptoms characteristic to the disease) **72 hours** before and **14 days** after the patient tested positive for COVID-19.

**High risk contacts:**

- communication with an infected person at a distance of less than **2 metres** for more than **15 minutes** or direct physical contact;
- direct unprotected contact with bodily fluids contaminated with COVID-19;
- spending time in a confined space with a COVID-19 patient for more than 15 minutes.

<sup>4</sup> **The 14-day** period for self-isolation is calculated as of direct contact with a COVID-19 patient. This 14-day isolation period may be shortened in the cases established and in accordance with the procedures set by the Minister of Health of the Republic of Lithuania.

<sup>5</sup> The disinfection of the premises is carried out only in cases where no more than 72 hours has elapsed since the last time the work/study premises were visited by the person with confirmed COVID-19.
