

## NATURAL SCIENCES

The evaluation of the interview takes into account the scientific competence of the entrant and the methodological methods of the research work skills, his motivation in choosing the topic of the dissertation, the correspondence of the basic education to the chosen topic branch of science.

Field of science, code	<b>Mathematics, N 001</b>	
Selection procedure	<b>Interview</b>	
The structure of the competitive score and their coefficients		
Diploma Supplement Grades weighted average (WA), up to 10 points	Interview assessment (I), up to 10 points	Scientific experience and science evaluation of works (SW), up to 1 point
0.05 x (WA)	1 x (I)	0.5 x (SW)
Minimum score	<b>6</b>	

Field of science, code	<b>Physics, N 002</b>	
Selection procedure	<b>Interview</b>	
The structure of the competitive score and their coefficients		
Diploma Supplement Grades weighted average (WA), up to 10 points	Interview assessment (I), up to 10 points	Scientific experience and science evaluation of works (SW), up to 10 points
1 x (WA)	1 x (I)	1 x (SW)
Minimum score	<b>22</b>	

Field of science, code	<b>Chemistry, N 003</b>	
Selection procedure	<b>Interview</b>	
The structure of the competitive score and their coefficients		
Diploma Supplement Grades weighted average (WA), up to 10 points	Interview assessment (I), up to 10 points	Scientific experience and science evaluation of works (SW), up to 10 points
1 x (WA)	1 x (I)	1 x (SW)
Minimum score	<b>22</b>	

Field of science, code	<b>Biochemistry, N 004</b>	
Selection procedure	<b>Interview</b>	
The structure of the competitive score and their coefficients		
Diploma Supplement Grades weighted average (WA), up to 10 points	Interview assessment (I), up to 10 points	Scientific experience and science evaluation of works (SW)*
1 x (WA)	1 x (I)	1 x (SW)
Minimum score	<b>16</b>	

\* - For full details on how research experience and research work are calculated, see VU Life Sciences Centre's page under "PhD Admissions 2023".

Field of science, code	<b>Geology, N 005</b>	
Selection procedure	<b>Interview</b>	
The structure of the competitive score and their coefficients		
Diploma Supplement Grades weighted average (WA), up to 10 points	Interview assessment (I), up to 10 points	Scientific experience and science evaluation of works (SW), up to

points		10 points
1 x (WA)	1 x (I)	1 x (SW)
Minimum score	<b>18</b>	

Field of science, code	<b>Physical Geography, N 006</b>	
Selection procedure	<b>Interview and research project</b>	
The structure of the competitive score and their coefficients		
Diploma Supplement Grades weighted average (WA)*, up to 10 points	Research project (RP) and interview assessment (I), up to 10 points	Scientific experience and science evaluation of works (SW), up to 10 points
0.2 x (WA)	0.6 x [0.4 x (RP) + 0.6 x (I)]	0.2 x (SW)
Minimum score	<b>7.5</b>	

\* - weighted average of the diploma supplement (40%) and evaluation of the final work (60%).

Field of science, code	<b>Informatics, N 009</b>	
Selection procedure	<b>Interview</b>	
The structure of the competitive score and their coefficients		
Diploma Supplement Grades weighted average (WA), up to 10 points	Interview assessment (I), up to 10 points	Scientific experience and science evaluation of works (SW), up to 10 points
1 x (WA)	1 x (I)	1 x (SW)
Minimum score	<b>22</b>	

Field of science, code	<b>Biology, N 010</b>	
Selection procedure	<b>Interview and Research project</b>	
The structure of the competitive score and their coefficients		
Diploma Supplement Grades weighted average (WA), up to 10 points	Research project and interview assessment (RPI), up to 10 points	Scientific experience and science evaluation of works (SW)*
1 x (WA)	1 x (RPI)	1 x (SW)
Minimum score	<b>16</b>	

\* - For full details on how research experience and research work are calculated, see VU Life Sciences Centre's page under "PhD Admissions 2023".

Field of science, code	<b>Biophysics, N 011</b>	
Selection procedure	<b>Interview</b>	
The structure of the competitive score and their coefficients		
Diploma Supplement Grades weighted average (WA), up to 10 points	Interview assessment (I), up to 10 points	Scientific experience and science evaluation of works (SW)*
1 x (WA)	1 x (I)	1 x (SW)
Minimum score	<b>16</b>	

\* - For full details on how research experience and research work are calculated, see VU Life Sciences Centre's page under "PhD Admissions 2023".

Field of science, code	<b>Ecology and Environmental Sciences, N 012</b>	
Selection procedure	<b>Interview</b>	
The structure of the competitive score and their coefficients		
Diploma Supplement Grades weighted average (WA), up to 10 points	Interview assessment (I), up to 10 points	Scientific experience and science evaluation of works (SW)*

points		evaluation of works (SW)*, up to 5 points
1 x (WA)	1 x (I)	1 x (SW)
Minimum score	<b>18</b>	

\* - For full details on how research experience and research work are calculated, see VU Life Sciences Centre's page under "PhD Admissions 2023".

Field of science, code	<b>Zoology, N 014</b>	
Selection procedure	<b>Interview</b>	
The structure of the competitive score and their coefficients		
Diploma Supplement Grades weighted average (WA), up to 10 points	Interview assessment (I), up to 10 points	Scientific experience and science evaluation of works (SW)*, up to 3 points
1 x (WA)	1 x (I)	1 x (SW)
Minimum score	<b>18</b>	

\* - For full details on how research experience and research work are calculated, see VU Life Sciences Centre's page under "PhD Admissions 2023".
