Information on the planned stay

All fields marked with (*) must be completed.

The application system has already selected Lithuania (Host country) and VILNIUS01 – VILNIAUS UNIVERSITETAS (Host institution).

For Erasmus+ students: You only need to indicate the faculty you were nominated to, as stated in the email. Please check your email to see if you have received a confirmation from incoming@cr.vu.lt — the email should look like this:

Dear student,

Greetings from Vilnius University! We'd like to congratulate you for being nominated for exchange studies at Vilnius university during the academic year 2025/2026.

All the important information regarding the studies at Vilnius University can be found on our website:

- In order to apply for studies, you will need to complete the online application which will be available <u>here</u> and submit all the required documents via the platform as well. The application portal will be open from the 15th of April and you'll be able to submit your application until the 1st of June. Please check the website for more information about the <u>enrolment procedure</u> and all the required documents.
- A list of the courses offered for the exchange students is available on the website. Courses for the academic year 2025/26 will be updated before the 15th of April. You can compose your study programme from the courses from different faculties, but at least half of your chosen courses should be from the faculty you have been nominated to (Faculty of Economics and Business Administration), the rest of the courses can be chosen in other faculties as well.
- More <u>practical information</u> about life and studies in Lithuania is available on the website as well.

If you have any questions related to your studies at Vilnius University or the application procedure, do not hesitate to contact me.

! Please note that this is not the Letter of Acceptance. In order to be accepted you have to submit the online application.

For all other exchange students: If your nomination email does not mention a specific faculty, please choose the faculty where you plan to take most of your courses.

It is mandatory to select courses you would like to have in the exchange period. A list of courses with all prerequisites can be found <u>here</u>. If you can't find your desired course, let us know by <u>incoming@cr.vulit</u>. All exchange students can choose the courses from different faculties or related to their study program at their home university but the majority should be from the faculty the student was nominated to. Students can select courses according to their study cycle, e.g. if the student is a bachelor's student, the student can select courses which indicate Bachelor studies in the Cycle field in the <u>list</u>.
