**WE HAVE CAMPUSES IN THREE
LITHUANIAN CITIES**

VILNIUS

Study and live in Vilnius, where history dwells on the roofs of the labyrinthine Old Town and modern art thrives in local galleries, theatres and streets. Catch the beat of the city in the swirl of its festivals, open-air and concerts. Enjoy the cosiness of Vilnius courtyards and fresh air of its parks and gardens.

KAUNAS

Find inspiration in Kaunas, where past meets future. Explore the extensive old town, or try the modern shopping malls for international cuisine and cinemas. Open your mind at the annual jazz and film festivals, or get your adrenalin pumping with live EuroLeague basketball at Žalgiris Arena. Plus Lithuania's capital Vilnius is just 1.5 hours away by bus or train.

ŠIAULIAI

Find time for yourself in this cozy city, set on a picturesque lake. Relax in a café on Šiauliai's central boulevard, or kick back with friends at one of the new shopping malls, with cinemas, bowling and ice rinks. The city also boasts theatres, a sports arena, great local nature to explore, and the UNESCO protected Hill of Crosses. Reach Vilnius in just 2.5 hours by bus or train, or enjoy a trip to Lithuania's unspoilt coast.

ARQUS

The Arqus European University Alliance brings together the universities of Bergen, Granada, Graz, Leipzig, Lyon, Padua and Vilnius, seven longstanding prestigious universities who share the conviction that European cooperation is essential to the global future of their institutions. Arqus, being a people-centred Alliance, aims to promote a multilingual, international, entrepreneurial and innovative approach in the provision of education, research and innovation.

TESTIMONIALS

“I really appreciate the unique and modern teaching approach, openness to our creative ideas, huge diversity of culture and communication with my groupmates and professors from all over the world”.

Kristina Kairite from Ukraine

“It is the perfect place to be a student. For me the biggest highlight is the lifestyle, tuition and living are affordable, assignments and projects are more challenging, while the environment is peaceful and relaxed. This balance is important to me.”

Nikko from Hong Kong
