3. ORGANISATION OF THE INTERNSHIP

3.1. The general scope of the Internship in first cycle studies must comply with the general requirements of study programmes set by the Minister of Education and Science (in first cycle studies and integrated studies – General requirements for the degree-awarding first cycle and integrated study programmes, in second cycle studies (if the second study programme is focused on practical activities) – General requirements for master’s study programmes, in non-degree (pedagogical) studies – requirements set out in the Teacher Training Regulation), as well as requirements set out in the Regulation of Study Programmes of Vilnius University.

3.2. The nature, duration, volume of credits of the Internship and the competencies developed during the Internship are specified in the Internship Description or in the description of other study subjects (modules).

3.3. The Internship can be done in Lithuania or in a foreign country.

3.4. Depending on the study area and field, the goals and objectives of the study programme, the Internship can be divided into types.

3.4.1. Practical Training is an Internship of first cycle and non-degree studies, during which the Trainee gets acquainted with the specialty practical activity in the Internship Institution or other place of the Internship, forms abilities, deepens theoretical knowledge;

3.4.2. Professional training is an Internship during which the Trainee consolidates and improves the general competencies of the programme basics and special education acquired in the study programme in practical professional activities;

3.4.3. Research practice is an Internship during which the Trainee collects and analyses data for research work at an Internship Institution, carries out other research activities.

3.4.4. Other types of Internship may be singled out in the Internship regulations of the Unit.

3.5. Students (unclassified students) who will perform the Internship are publicly familiarised with the Internship performance procedure, the issues of the choice of the Internship place, the requirements for the Internship institutions in accordance with the procedure established in the Internship Regulations of the Unit.

3.6. The list of recommended Internship Institutions is announced to the students (unclassified listeners) who will perform the Internship at least 14 calendar days before the start of the Internship, except for the cases when a longer term is specified in the internship regulations of the Unit.

3.7. Students (unclassified listeners) can suggest institutions for Internship. The Study Programme Committee decides whether the proposed institution meets the requirements for the Internship Institution set forth in the Regulations and the internship regulations of the Unit. In this case, the student (unclassified listeners) submits to the Study Programme Committee a description of the institution’s activities and, if necessary, additional documents of the institution requested by the Study Programme Committee in accordance with the procedure established in the internship regulations of the unit. With the approval of the Study Programme Committee and the consent of the proposed Internship Institution to accept a student (unclassified listener) to perform the Internship, an Internship Agreement is concluded, except for the cases provided for in this Regulations, when the Internship Agreement may not be concluded.

3.8. The Internship Agreement must be concluded before the start of the Internship. The agreement is signed by the Rector or his/her authorized Head of the Unit, the Trainee and the Head of the Internship Institution or his/her authorized person.
3.9. The subdivisions have the right to supplement the Internship Agreement with other provisions that do not contradict the sample form of the Student Internship Agreement approved by the Minister of Education and Science and the Regulations. Additional provisions, not provided for in the sample form of the Internship Agreement, must be agreed in accordance with the procedure established by the University.

3.10. An internship agreement is not concluded when, in accordance with the procedure established in the Regulations, a decision is made to credit the experience gained by the student in the respective field of activity as an Internship provided for in the study programme. The Internship Agreement may not be concluded even if the Internship is performed in a University unit in accordance with part 4 of these Regulations.

3.11. The signed Internship Agreement is registered in the Register of Internship Agreements of the Unit. One copy of the Internship Agreement for the University is kept in the Trainee’s personal file. After transferring the students’ personal files to the electronic archive, the Internship Agreement is stored in the student’s file in the electronic archive in electronic form.

3.12. By the decision of the Head of the Unit, on the proposal of the Chairman of the Study Programme Committee, after assessing whether the nature of the student’s (unclassified student’s) experience in the respective field of activity complies with the aims and requirements for the Internship specified in the Regulations, the Unit’s internship regulations and/or the Internship Description, and the institution meets the requirements for an Internship Institution specified in the Regulations and the Unit’s internship regulations, the work experience gained by the student (unclassified student) and/or the practical experience gained through voluntary activity may be credited as the Internship provided for in the study programme.

3.13. If the Trainee misses from 5 to 30 percent of the Internship time due to illness or other important and justifiable reason, the Internship is extended by the order of the Head of the Unit with the approval of the Study Programme Committee. If more than 30 percent of the Internship time is missed, the Internship is not assessed.

3.14. The student may perform the Internship in a foreign state institution, if this institution meets the requirements for the Internship Institution listed in the Regulations and the requirements for the Internship set in the Regulations, the Unit’s internship regulations and/or the Internship Description, and confirms its consent to organise the Internship.

3.15. Internships that are implemented in foreign countries in accordance with international programmes are organized in accordance with the procedure established by this Regulations and international programmes.

3.16. The evaluation of the Internship performed in the Internship Institution located in a foreign state is performed in accordance with the procedure provided for in this Regulations and the Unit’s internship regulations.

3.17. The Internship may be terminated with one of the parties not fulfilling the obligations provided for in the Internship Agreement and in other cases and under procedure in specified in the Internship Agreement. Termination of the Internship Agreement may be initiated by any party to the Internship Agreement.

3.18. Upon termination of the Internship, the Internship Agreement is terminated and the concerned parties are notified thereof in accordance with the procedure provided for in the Internship Agreement.

3.19. Cooperation agreements may be concluded only with institutions that meet the requirements for the Traineeship Institution provided for in the Regulations and the Unit’s internship regulations, with which cooperation in the organisation of the Internship is planned.

3.20. The cooperation agreement is signed by the Rector or his/her authorized person and the head of the Internship Institution or his/her authorized person.

3.21. Copies of the signed cooperation agreements are submitted to the Directorate of Academic Affairs, and the original copies are kept at the University in accordance with the established procedure.
3.22. The Internships provided for in the study programme are financed to the extent provided in the Unit’s Estimate of Income and Expenditures for the relevant year under the conditions and in accordance with the procedure established by the legal acts of the Republic of Lithuania and the University. The time devoted to the internship by the University Internship Supervisor is included in the pedagogical workload of the University Internship Supervisor.

4. INTERNSHIP OF UNIVERSITY STUDENTS IN THE UNIVERSITY UNIT

4.1. The internship can be done in the structural unit of the University. In this case, the legal basis of the Internship is an order of the Head of the Unit sending the Trainee for the Internship, which must specify, inter alia, the Trainee, the Internship period, the Unit where the Internship will be performed, the University Internship Supervisor and the Institution’s Internship Supervisor (except for cases specified in Paragraph 4.5 of the regulations, when no supervisor is appointed), the purpose of the Internship and the expected results of the Internship. The order of the Head of the Unit is endorsed by the Head of the Unit receiving the Trainee (unless the Internship is performed in the Unit where the Trainee is studying), the Trainee, the University Internship Supervisor and the Institution’s Internship Supervisor (if appointed).

4.2. The Unit receiving the Trainee for the Internship performs, mutatis mutandis, the functions assigned to the Internship Institution in this Regulation, as well as fulfils the obligations of the host organization (i.e., the Internship Institution) provided in the sample form of the Student Practical Training Agreement approved by the Minister of Education and Science:

4.2.1. provides the Trainee with an Internship place;
4.2.2. offers an Institution Internship Supervisor who meets the requirements specified in Paragraph 5.4 of the Regulations and the Unit’s internship and performs the functions provided for in Paragraph 2.7 of the Regulations;
4.2.3. creates conditions for the implementation of the Internship Plan, provides the information necessary for the implementation of the Internship Plan and does not distract the Trainee from the performance of the Internship tasks;
4.2.4. in accordance with regulatory acts, organises the necessary instructions for the safety and health of employees and fire safety;
4.2.5. ensures working conditions for the Trainee in accordance with the occupational safety and health and hygiene standards, if necessary, provides the Trainee with the necessary work tools, work clothes and work footwear, other personal and collective measures for occupational safety and health in accordance with the procedure established by legal acts;
4.2.6. assigns to the Trainee tasks related to the specifics of studies and the Internship and ensures that tasks to perform unqualified work not related to the specifics of studies and the Internship are not assigned;
4.2.7. informs the Trainee that the information about the University provided during the Internship is confidential and cannot be disseminated outside the University;
4.2.8. informs the Unit sending the Trainee about violations of the Trainee’s discipline, the Trainee’s absence from the Internship Internship.

4.3. A trainee performing an Internship at a University Unit must fulfil the obligations of the student (i.e., the Trainee) provided for in this Regulations and in the sample form of the Student Internship Agreement approved by the Minister of Education and Science:

4.3.1. to diligently perform the Internship tasks; if not-attending the Internship at the University Unit accepting the Trainee for the Internship, to immediately notify the Institution’s Internship Supervisor, specifying the reason, and in case of illness – submitting a doctor’s certificate;
4.3.2. to sign and comply with the Confidentiality Obligation in the form set out in Annex 1 to the Regulations prior commencing the Internship;
4.3.3. to follow the rules of procedure of the University, to keep secret the confidential information obtained during the Internship and not disseminate it outside the University;
4.3.4. to protect the property of the University, to be liable for the material damage in accordance with the procedure established by law;
4.3.5. to comply with the requirements of the rules for the safety and health of workers and fire protection;
4.3.6. to inform the Unit sending the Trainee for the Internship, if during the Internship the Trainee is assigned to perform the tasks of the unqualified work unrelated to the study and the specifics of the Internship, and if the University Unit accepting the Trainee for the Internship does not create conditions for the implementation of the Internship Plan;
4.3.7. to perform the functions provided for in Paragraph 2.6 of the Regulations.

4.4. The unit sending the Trainee to the Internship performs the functions assigned to the Unit in this Regulation, fulfills the obligations of the higher education institution provided in the sample form of the Student Internship Agreement approved by the Minister of Education and Science and ensures that the Trainee signs the Confidentiality obligation (Annex 1 to the Regulations), which is stored in the Trainee’s personal file.

4.5. In case the Internship is performed in the Unit where the Trainee is studying, or if another University Unit only provides the territory or facilities for the Internship, the Unit performs all the functions and obligations provided for in Paragraphs 4.2 and 4.4 of the Regulations. In this case, only the University Internship Supervisor may be appointed, who must meet the requirements set forth in Paragraphs 5.4 and 5.5 of the Regulations and who, mutatis mutandis, performs the functions provided for in Paragraphs 2.5 and 2.7 of this Regulations.

5. INTERNSHIP QUALITY ASSURANCE

5.1. To ensure the quality of the Internship, the Internship supervision is organized during the Internship, which is performed by the University Internship Supervisor at the University, and at the Internship Institution – by the Institution’s Internship Supervisor.

5.2. Prior to the start of the Internship, the Trainee draws up an Internship Plan, in which he/she specifies and coordinates the Internship Tasks with the Institution’s Internship Supervisor and the University Internship Supervisor. The Trainee, the Institution’s Internship Supervisor and the University Internship Supervisor are involved in the implementation of the Internship Plan.

5.3. Requirements for the Internship Institution:
5.3.1. it is an appropriate place to implement the goals and objectives of the respective Internship;
