VILNIUS UNIVERSITY SCHOLARSHIP REGULATIONS

CHAPTER I
GENERAL PROVISIONS

1. The Scholarship Regulations (hereinafter referred to as the Regulations) of Vilnius University (hereinafter referred to as the University) regulate the distribution of funds for the scholarships of the University students, the types of scholarships, the conditions for awarding scholarships and the procedure for organising and supervising scholarships.

2. The main terms used in the Regulations:
   2.1. **doctoral scholarship** – a scholarship for state-funded doctoral (PhD) students;
   2.2. **funds for scholarships** – monetary funds allocated for student scholarships in the University state budget appropriation programs of a certain year, from the University’s own funds and from other University funds;
   2.3. **professional pedagogical studies scholarship** – a scholarship awarded to professional pedagogy students admitted to study from 1 September 2017;
   2.4. **incentive scholarships** – a scholarship for first and second cycle students, including integrated studies, as well as for professional pedagogical studies, for good learning outcomes;
   2.5. **scholarship** – a one-time or multiple payment granted personally to students of the University in accordance with the criteria established in the legal acts of the Republic of Lithuania and/or the Regulations of the University;
   2.6. **student** – a person who has a valid study agreement with the University, registered in the University student register and is studying according to study programs or doctoral studies;
   2.7. **research scholarship** – a scholarship for doctoral students going on an internship abroad or for first and second cycle students, including integrated studies, performing research (art) work in a project;
   2.8. **foreign student scholarship** – a scholarship for students of foreign universities who have come to study under bilateral cooperation agreements;
   2.9. **nominal scholarship** – a scholarship for students for special achievements or merits in various fields of science and other fields;
   2.10. **one-time social grant** – a grant awarded to students due to difficult financial situation, death of relatives, illness, natural or other disaster and other special cases;
   2.11. **one-time target scholarship** – a scholarship for students for active sports, cultural, scientific or social activities;
   2.12. other terms are used in the Regulations as they are defined in the University Statute (hereinafter referred to as the Statute), the University Study Regulations and other legal acts of the University.

3. Every student of the University is entitled to a scholarship if he / she meets the criteria for awarding a specific scholarship set out in the Regulations. Unless otherwise provided in the bilateral cooperation agreement on student exchange, a foreign student studying at the University under a bilateral cooperation agreement is entitled only to a foreign student scholarship.

CHAPTER II
FUNDS FOR SCHOLARSHIPS

4. State budget funds provided for research and study institutions as per Subparagraphs 2,
3 of Article 48(2) of the Statue and the Republic of Lithuania Law on Higher Education and Research, revenues received from payments for studies, as well as revenues from research activities, experimental development, art activities, economic activities and provision of services, as well as funds allocated by international and foreign funds and organisations, other legal funds can be used for student scholarships.

5. Funds for scholarships are raised from the following funding sources:
   5.1. state budget appropriations;
   5.2. University own funds;
   5.3. other target funds received from Lithuanian and (or) foreign legal or natural persons as support.

6. State budget appropriations for scholarships are divided into the following shares of the funds allocated for scholarships:
   6.1. the share of funds allocated for doctoral scholarships is formed taking into account the number of doctoral students studying in state-funded places of doctoral (PhD) studies;
   6.2. the share of funds allocated for incentive scholarships is formed taking into account the number of first and second cycle students, including integrated studies, as well as the number of students of professional pedagogical studies;
   6.3. the part of the funds allocated for pedagogical study scholarships is formed taking into account the number of students of professional pedagogical studies who are entitled to receive this scholarship;
   6.4. the share of funds allocated for scholarships for foreign students is formed taking into account the number of students from foreign universities who have come to study under bilateral cooperation agreements.

7. The University’s own funds for scholarships may be divided into the following shares of the funds allocated for scholarships:
   7.1. the part of the funds allocated for one-time target scholarships is formed from the part of the University’s own funds intended for student support, allocated annually in accordance with the University’s income and expenditure estimate of the current year approved by the University Council (hereinafter referred to as the Estimate). Twenty percent of these funds are allocated to each of the following areas: sports, cultural, research and social activities. The remaining twenty percent of the funds are distributed among the areas according to the need by the decision of the one-time target scholarship distribution commission (formed in accordance with Paragraph 58 of the Regulations). With the approval of the University Students’ Representation (hereinafter referred to as the Students’ Representation), the unused funds of one activity may be reallocated to other activities as required, not exceeding the amount of these funds;
   7.2. the share of funds allocated for one-time social grants is formed from the share of the University’s own funds intended for student support, allocated each year in accordance with the Estimate;
   7.3. the share of funds allocated for incentive scholarships is formed in accordance with the Estimate, taking into account the number of students of the first and second cycle, including integrated studies, as well as professional pedagogical studies;
   7.4. By the decision of the Rector of the University (hereinafter referred to as the Rector) or his / her authorized Vice-Rector, a scholarship may be awarded from the share of the University’s own funds in other cases not provided for in this Paragraph in accordance with the Estimate.

8. Funding for scholarships from the state budget and the University’s own resources is allocated according to the type of scholarships each year when the Council approves the Estimate. Funding from other target funds received from Lithuanian and (or) foreign legal or natural persons as support is provided under agreements with the sponsor, taking into account the received funding or accrued interest.

9. Upon agreement of the Study Administration Department of the University Central Administration (hereinafter referred to as the Study Administration Department) with the Finance Department of the University Central Administration (hereinafter referred to as the Finance
Department) and approval of the Students’ Representation, one share of the University’s own funds for scholarships may be redistributed to another share.

CHAPTER III
TYPES OF SCHOLARSHIPS

10. The following types of scholarships are awarded at the University: doctoral scholarship, professional pedagogical studies scholarship, incentive scholarship, foreign student scholarship, nominal scholarship, one-time social grant, one-time target scholarship and target research scholarship.

11. Undergraduate and graduate students, including integrated studies, may simultaneously receive incentive scholarship, nominal scholarship, one-time social grant, one-time target scholarships and target research scholarships, unless otherwise provided by nominal scholarship regulations or other legislation. Students of professional pedagogical studies may simultaneously receive professional pedagogical studies scholarship, incentive scholarship, nominal scholarship, one-time social grant and one-time target scholarships, unless otherwise provided by the regulations of nominal scholarships or other legal acts. Doctoral (PhD) students can simultaneously receive doctoral (PhD) studies scholarship, nominal scholarship, one-time social grant, one-time target scholarship and target research scholarship.

12. Undergraduate and postgraduate students, including full-time students, studying abroad under “Erasmus+” programme, as well as under other exchange programmes, and free-moving students can receive incentive scholarship, nominal scholarship and one-time social grant as well as one-time target scholarships throughout their studies abroad.

CHAPTER IV
DOCTORAL STUDENT SCHOLARSHIP

13. Scholarships for state-funded doctoral (PhD) students are awarded in accordance with the procedure established by the Government of the Republic of Lithuania.

14. Scholarships for doctoral (PhD) students are awarded from the funds allocated for doctoral (PhD) scholarships.

15. Doctoral (PhD) students studying in a non-state-funded doctoral (PhD) programme may be awarded a non-state-funded doctoral (PhD) student scholarship. If this scholarship is paid through the University, the terms and conditions of the scholarship must be stipulated in a tripartite agreement between the institution supporting the doctoral (PhD) student, the University and the doctoral student.

16. Doctoral (PhD) students who receive a scholarship and undertake part-time studies at foreign universities for a period not exceeding 12 months are paid the full scholarship. If a student leaves for a period exceeding 12 months, the head of the core academic unit of the University (hereinafter referred to as the core academic unit) specifies the payment of all or part of the scholarship when endorsing the doctoral (PhD) student’s application for departure.

17. On the proposal of core academic units and after coordination with the Office of Doctoral and Post-doctoral Studies of the University, the Rector or the authorised Vice-Rector can issue an order to pay an additional doctoral (PhD) scholarship or a part thereof for the study results to the PhD students from the accumulated share of the funds allocated for doctoral (PhD) scholarships at the end of the calendar year.

18. On the proposal of the Doctoral Committee of the core academic unit (hereinafter referred to as the Doctoral Committee), the payment of scholarship to doctoral (PhD) students may be temporarily suspended (for a period not exceeding 5 months) as the result of unaccomplished part of the doctoral (PhD) study programme (when assessing the results of the doctoral (PhD) studies during certification). The proposal to extend the payment of the doctoral (PhD) student scholarship to a doctoral (PhD) student or to remove him/her from the doctoral (PhD) programme
is made by the Doctoral Committee, taking into account the doctoral (PhD) student’s study results. The scholarship for doctoral (PhD) students is temporarily suspended on the proposal of the Head of the core academic unit by the order of the Rector or his authorized Vice-Rector.

CHAPTER V
INCENTIVE SCHOLARSHIP

19. An incentive scholarship is awarded to undergraduate and graduate students, including integrated studies, as well as professional pedagogical studies students for the best learning outcomes.

20. Incentive scholarships are not awarded to:
20.1. students in the first and second cycle, including integrated studies, as well as in the first semester of professional pedagogical studies;
20.2. students renewing studies or admitted from other higher education institutions – during one semester from the renewal or admission;
20.3. students with debt (s) or academic debt (s);
20.4. students who have already received incentive scholarships for the same period.

21. Incentive scholarships come in two sizes: 1.5 and 2.5 of the basic social benefits (hereinafter referred to as the BSB).

22. The amount of the scholarship awarded depends on the student’s academic progress. Students with the best examination (credit) results of their study subjects (modules) are determined every semester in each study form, programme, branch and course according to the study results pursuant to the University’s Interim procedure for student ranking according to study results and rotation procedure.

23. Incentive scholarships are awarded twice a year. In the autumn semester, the scholarship is awarded for the period from August to January of the current year, in the spring semester – for the period from February to July. The scholarship for final year students in the spring semester is awarded for the period from February to June.

24. The incentive scholarship is awarded from the share of the funds for scholarships intended for incentive scholarships.

25. The funds allocated for incentive scholarships are distributed to the main academic units in proportion to the number of first and second cycle students, including integrated studies, as well as professional pedagogy students studying in these units.

26. 70% of the funds intended for incentive scholarships are used to pay scholarships amounting to 1.5 of the BSB, and 30% of the funds intended for incentive scholarships are used to pay scholarships amounting to 2.5 of the BSB.

27. The Study Administration Department supervises and controls the distribution of funds allocated for incentive scholarships.

28. The number of scholarships of 1.5 BSB and 2.5 BSB is determined at the beginning of each semester in core academic units, taking into account the funds allocated for incentive scholarships. Scholarships are distributed in proportion to the study programmes, branches and courses of study programmes according to the number of students studying in them.

29. Incentive scholarships are awarded to students who return after part-time studies abroad in accordance with the Rules for sending students for part-time studies abroad.

30. Incentive scholarships are awarded by an order of the head of the core academic unit.

31. The core academic unit is responsible for the allocation of incentive scholarships to students in accordance with the conditions set out in this chapter. By the order of the head of the core academic unit or his / her authorised person, with the approval of the Students’ Representation unit in that core academic unit, additional conditions for granting incentive scholarships may be provided (redistribution of incentive scholarships between study programmes (branches), courses, etc.). The conditions for awarding incentive scholarships established by the order of the head of the core academic unit or his / her authorised person may not contradict the Regulations.
32. The payment of the incentive scholarship is terminated upon the expulsion of the student from the University.
33. If a student is expelled from the University or terminates his/her studies before the 15th of the current month, the incentive scholarship is not paid for that month. The scholarship for that month is paid if the student is expelled as having completed the study programme.
34. The amounts of scholarships awarded to students of foreign higher education institutions who come to study under bilateral cooperation agreements are the same as the amounts of incentive scholarships awarded to students of the respective degree at the University, unless a different amount of scholarship is agreed and provided for the partnership.

CHAPTER VI
PROFESSIONAL PEDAGOGICAL STUDIES SCHOLARSHIP

35. The professional pedagogical studies scholarship is awarded under the procedure established by the Government to students of professional pedagogical studies admitted to study from 1 September 2017.
36. Professional pedagogical studies scholarships are not awarded to students:
   36.1. during academic leave or suspension of studies;
   36.2. students with debt (s) or academic debt (s);
   36.3. who have already received professional pedagogical studies scholarships for the same period.
37. Scholarships for professional pedagogical studies are awarded by the order of the head of the core academic unit.
38. Payment of the scholarship for professional pedagogical studies is terminated after the student is expelled from the University.
39. If a student is granted academic leave, suspends studies, acquires debt (s) or academic debt (s), is expelled from the University or terminates studies before the 15th of the current month, the scholarship for professional pedagogical studies is not paid for that month. The scholarship for that month is paid if the student is expelled as having completed the study programme.

CHAPTER VII
NOMINAL SCHOLARSHIP

40. Nominal scholarships are awarded to the most advanced students of the University according to certain fields of activity for special achievements or merits in these fields.
41. The bases and principles for awarding nominal scholarships are established in the regulations of a specific nominal scholarship and in the support agreement (sample forms of these documents are provided in Annexes 1 and 2 to the Regulations). The regulations of the nominal scholarship and the support agreement are drafted by the Study Administration Department or, if the scholarship is awarded to students of only one unit according to the regulations, by the core academic unit. The regulations of the nominal scholarship may not contradict the Regulations, the Statute, other legal acts of the University and the Republic of Lithuania.
42. The regulations of the nominal scholarship are approved by the order of the Vice-Rector for Studies or, if the nominal scholarship is awarded only to students of one core academic unit, by the resolution of the council of the core academic unit.
43. The nominal scholarship is awarded from the target funds received from Lithuanian and/or foreign legal or natural persons as support specified in the regulations of the nominal scholarship and the support agreement. The support agreement with the sponsor is signed by the Rector or his/her authorized Vice-Rector.
44. Nominal scholarships can also be awarded from the University’s own funds. In this case, the scholarship is awarded in accordance with the provisions of the relevant nominal scholarship, and no support agreement is concluded.
CHAPTER VIII
ONE-TIME SOCIAL GRANT

45. One-time social grant is awarded to students due to difficult financial situation, death of relatives, illness, natural or other disaster and in other special cases.

46. A student on academic leave or a student who has suspended his or her studies is also entitled to apply for a one-time social grant.

47. The size of a one-time social grant ranges from 2 BSB to 12 BSB.

48. One-time social grants are awarded by the social grant distribution commission (hereinafter in this chapter referred to as the Commission) appointed by the Rector or his / her authorized Vice-Rector for the period of one year and formed in accordance with the Regulations. The Commission consists of five members: three students delegated by the Students’ Representation, one representative of the Study Administration Department and one representative of the core academic unit.

49. One-time social grants are granted from the share of the funds allocated for one-time social grants:

49.1. to first and second cycle students, including integrated studies, as well as to students of professional pedagogical and residency studies – from the University’s own funds;

49.2. to doctoral (PhD) students – from the funds intended for PhD scholarships, allocating not more than 0.5 percent of these funds.

50. A student wishing to receive a one-time social grant must register the application, together with the documents listed in Paragraph 52 of the Regulations, in the University Study Information System.

51. The application for a one-time social grant must contain the student’s personal data – name, surname, student certificate number, unit, study programme, degree, course, contact details, reason for the student applying for a one-time social grant and the confirmation that the student has registered his / her bank account in the University Study Information System or upon submission of an application for the transfer of the scholarship to the bank: for doctoral students and residents – to the Department of Finance, for others – to the core academic unit where the student studies.

52. The following documents must be submitted with the application:

52.1. a certificate on the student’s family composition;

52.2. a certificate (s) on employment-related income or income from individual activity received by the student’s parents (guardians) or spouse during the last 3 months, or a certificate (s) of unemployment;

52.3. a certificate on the student’s employment-related income or income from individual activity for the last 3 months, or a certificate of unemployment;

52.4. additional documents (if any) proving that the student needs financial support (copy of the certificate of the disabled, copy of the medical certificate certifying the death of the father, mother or other relative, or a copy of the extract (death certificate) certifying the death of the relative, copies of birth certificate(s) of the child (children), doctor’s certificate, etc.).

53. The Study Administration Department, taking into account the applications submitted by students and the supporting documents, summons a meeting of the Commission. Meetings of the Commission may not take place less than once every two months, except during the autumn semester exam period and the summer holiday period.

54. If the Commission decides to award one-time social grants, not later than within 5 working days from the date of the Commission’s decision, the responsible unit must draft an order of the Rector or his / her authorized Vice-Rector on awarding one-time social grants.
CHAPTER IX
ONE-TIME TARGET SCHOLARSHIP

55. A one-time target scholarship is awarded to undergraduate and graduate students, including integrated studies, professional pedagogical students, residents and doctoral students who have achieved good results in sports, culture, science or society.

56. A student on academic leave or a student who has suspended his / her studies is also entitled to apply for a one-time target scholarship.

57. The size of a one-time target scholarship ranges from 1 BSB to 15 BSB.

58. One-time target scholarships are awarded in accordance with the Regulations by a commission formed by the Rector or his authorized vice-rector for one academic year (hereinafter in this chapter referred to as the Commission), the members of which, except for students' representatives, are proposed by the Study Administration Department. The Commission consists of seven members: a representative of the Study Administration Department, one person able to evaluate the results of cultural activities, one person able to evaluate the results of sports activities, two representatives of the core academic units and two students’ representatives, who are appointed and removed by the University Students’ Representation in accordance with its procedure.

59. Support is provided from the share of the funds intended for one-time target scholarships.

60. A student wishing to receive a one-time target scholarship must register the application addressed to the Rector together with the documents listed in Paragraph 63 of the Regulations in the University Study Information System. The members of the Commission are given access to the applications submitted by students in the University Study Information System.

61. Applications for one-time target scholarships are submitted by 25 October in the autumn semester and by 25 March in the spring semester.

62. The application for a one-time target scholarship must contain the student’s personal data – name, surname, student certificate number, unit, study programme, degree, course, contact details, reason for the student applying for a one-time target scholarship grant and the confirmation that the student has registered his / her bank account in the University Study Information System or upon submission of an application for the transfer of the scholarship to the bank: for doctoral students and residents – to the Department of Finance, for others – to the core academic unit where the student studies.

63. The following documents must be submitted together with the application:

63.1. description of the activities and documents proving the achievements in the field of sports, if the application is submitted for achievements in the field of sport, a recommendation of the Health and Sports Centre (optional);

63.2. description of the cultural activities carried out and documents proving the cultural activities, if the application is submitted for achievements in cultural activities, a recommendation of the Cultural Centre (optional);

63.3. description of the research activity carried out and documents proving the achievements in the research activity (copies of published or accepted for publication articles, project works, etc.), if the application is submitted for research activities, a recommendation of the relevant core academic unit (optional);

63.4. a description of the social activities carried out and documents proving the achievements in social activities, if the application is submitted for social activities, a recommendation of the head of the relevant core academic unit or institution where the student carries out social activities (optional).

64. In awarding a one-time target scholarship, priority is given to students who represent the University and/or promote the name of the University.

65. A one-time target scholarship for the same achievements can only be awarded once.

66. A student may submit an application addressed to the Rector together with the documents listed in Paragraph 63 of the Regulations not more than once per studies semester.

67. With the approval of the Students’ Representation or its division in the core academic
unit, a one-time target scholarship may also be awarded to students by the core academic unit by the
decision of its council from its own funds and/or project funds according to the criteria approved by
the council of the core academic unit. The total amount of one-time target scholarships per student
per semester may not exceed 15 BSBs.
68. One-time target scholarships are awarded by the order of the Rector or his / her authorised
Vice-Rector.
69. Scholarships that do not meet the criteria for one-time target scholarship requirements are
awarded from the project funds by the order of the head of the core academic unit.

CHAPTER X
TARGET RESEARCH SCHOLARSHIP

70. The target research scholarship is awarded to:
70.1. Doctoral (PhD) students going on an internship abroad, and is intended to cover
expenses incurred abroad that are directly related to the research conducted on the topic of the PhD
thesis;
70.2. first and second cycle students, including integrated studies, for research (artistic) work
in the project.
71. A target scholarship for research for doctoral (PhD) students is awarded by a
commission formed by the order of the head of the core academic unit (hereinafter in this chapter
referred to as the Commission) in accordance with the Regulations. The commission consists of:
the representative of the doctoral (PhD) studies committees in the field of science in which the
doctoral (PhD) student is studying, the head of the branch academic unit to which the doctoral
student is assigned, the supervisor of the doctoral (PhD) student and, if a school of doctoral studies
is established, the head of the school of doctoral studies.
72. The target research scholarship is awarded to:
72.1. doctoral (PhD) students – from the state budget funds intended for doctoral studies
allocated to the main academic unit to which the doctoral (PhD) student is assigned or from the
own funds of the unit:
72.2. for first and second cycle students, including integrated studies, from projects financed
by national, European Union structural funds or international funds, programmes or measures.
73. Depending on the host country and the content of the planned research, a doctoral (PhD) student going on a one months’ internship may be awarded a target research scholarship of
20 to 50 BSB. When a doctoral (PhD) student goes on a longer or shorter internship, the scholarship
is increased or decreased accordingly in proportion to the duration of the internship. The scholarship may be awarded to a doctoral (PhD) student no more than twice in one year of doctoral
studies.
74. Undergraduate and graduate students, including integrated studies, may be awarded a
target research scholarship of between 5 and 10 BSB per month for research (art) work carried out
in a project, depending on the intensity of the research work and the duration of the project
activities. If the sponsor determines another amount of the scholarship in the description
(guidelines) of the project financing conditions, the requirements of the sponsor will be followed.
75. A doctoral (PhD) student wishing to receive a target research scholarship must submit
an application addressed to the Rector to the administrator of the branch academic unit (if there are
no branch academic units in the core academic unit – to the administrator of the core academic
unit) or to the schools of doctoral studies, who will arrange for a meeting of the Commission to
take place no later than one month after the date of the application submission. The application
must contain the doctoral (PhD) student’s personal data – name, surname, unit, course, contact
details of the applicant. A brief description of the importance of the internship for the research
carried out and the planned expenses the allocated scholarship will be used to cover.
76. Undergraduate and graduate students, including integrated studies who wish to receive
a target scholarship for research must sign a student research (art) contract. A student may not
receive other revenues for the same research (art) work performed during the student’s research, for which he/she receives a target research scholarship.

77. A target scholarship for research is awarded by the order of the Rector or his / her authorized Vice-Rector:
   77.1. for doctoral (PhD) students – in accordance with the decision of the Commission;
   77.2. for first and second cycle students, including integrated studies – in accordance with the student’s contract for the performance of research (art) work.

CHAPTER XI
FOREIGN STUDENT SCHOLARSHIP

78. The foreign student scholarship is awarded to students of all study levels of foreign universities with which the University has signed bilateral cooperation agreements, who come to study for one or two semesters.

79. The amount of the scholarship of a foreign student is the same as the amount of the scholarship (incentive or PhD) of the University student of the respective degree, unless otherwise provided in the bilateral cooperation agreement.

80. Foreign student scholarships are administered in accordance with the procedure established by the Rector or his / her authorized Vice-Rector.

CHAPTER XII
FINAL PROVISIONS

81. The Regulations must be reviewed periodically, but not less than once every five years, and, if necessary, updated in accordance with the procedure established by the legal acts of the University.
 SAMPLE

PROVISIONS FOR AWARDING NOMINAL SCHOLARSHIPS OF X TO VILNIUS UNIVERSITY STUDENTS

CHAPTER I
GENERAL PROVISIONS

1. The Regulations for Awarding the X Nominal Scholarship to Vilnius University Students (hereinafter referred to as the Regulations) regulate the procedure for awarding the X Nominal Scholarship (hereinafter referred to as the Scholarship) and the selection criteria for candidates for the Scholarship (hereinafter referred to as the Candidates).

2. The scholarship, taking into account the cooperation between X and Vilnius University (hereinafter referred to as the University) [mention the cooperation agreement, if concluded], shall be established on its own initiative by X (hereinafter referred to as the Founder). It is paid from the Founder’s funds transferred to the University’s current account as support, in accordance with Support Agreement No. [specify].

3. The Regulations have been prepared in accordance with the University Scholarship Regulations and do not contradict them.

4. The purpose of the scholarship is to encourage students of the University [in case the scholarship is awarded to students of a specific unit – indicate the core academic unit (hereinafter referred to as the Unit)] studying in [insert the study programmes] for [indicate for what the scholarship is awarded, for example, for academic progress / research in progress / best course paper, bachelor or master thesis, etc.].
