## Part-time Job

Regulation	<del>UF does not allow exchange students to have a part-time job for the first 3 months so that they can focus on getting used to their life and studies in Japan.</del> This rule has been abolished since 2018. However, we recommend exchange students to focus on settling in and getting used to the study here for the first few months. In addition, it is very difficult to find a part-time job if the students are not fluent in Japanese. Therefore, please prepare enough financial resources to support your stay in Japan.
