

### **The 2020 edition of the ISIT Summer School is now open.**

Discover a new culture, develop your intercultural skills and create personal and professional bonds abroad, all at the same time as studying French.

You will enhance your language skills as well as your chances of taking up studies abroad, while also improving your professional profile. Do not miss this incredible opportunity! Classes focused on the French language, culture and civilisation will enable you to better understand the environment in which you will be immersed this summer and help you fully benefit from your stay.

As for the intercultural management classes, a domain in which ISIT has world-renowned expertise, they will enable you to acquire new skills and further develop existing ones while familiarising yourself with different worldviews and different working methods.

Your classes will be complimented by cultural and business visits, all against the backdrop of the unrivalled city of lights: Paris.

Don't hesitate any longer: give your professional future that extra spark that will help you stand out from the crowd!
