

**RESOLUTION  
OF THE SENATE  
OF VILNIUS UNIVERSITY**

**ON AWARDING *MAGNA CUM LAUDE* VILNIUS UNIVERSITY DIPLOMAS**

No. SPN-21 of 27 May 2025

In accordance with Article 33(1)(32) of the Statute of Vilnius University, the Criteria for Awarding *Cum Laude* and *Magna Cum Laude* Diplomas at Vilnius University, approved by Resolution of the Senate of Vilnius University No. S-2015-9-2 of 24 November 2015 “On the Approval of the Criteria for Awarding *Cum Laude* and *Magna Cum Laude* Diplomas” (wording of Resolution of the Senate of Vilnius University No. SPN-36 of 21 May 2024), and Items 88 and 89 of the Study Regulations of Vilnius University, approved by Resolution of the Senate of Vilnius University No. SPN-43 of 21 June 2022 “On the Approval of the Study Regulations of Vilnius University and on the Amendments and Repeal of Certain Resolutions of a Senate Commission of Vilnius University” (wording of Resolution of the Senate of Vilnius University No. SPN-37 of 21 May 2024), and taking into account Proposal from the Rector of Vilnius University No. RTK-34 of 23 May 2025 “On Awarding *Magna Cum Laude* Vilnius University Diplomas”, Proposals from the heads of core academic units of Vilnius University on awarding *Magna Cum Laude* Vilnius University diplomas, and Resolution of the Studies Affairs Committee of Vilnius University Senate of 13 May 2025 (Minutes No. (1.8 E) 11500-KT-253), the Senate of Vilnius University hereby decides:

1. To award *Magna Cum Laude* Vilnius University diplomas to the following graduates of 2025 of the first cycle study programmes who are distinguished for their mature research activities:

| No.  | Full name                      | Core academic unit                               | Name of the study programme                    |
|------|--------------------------------|--------------------------------------------------|------------------------------------------------|
| 1.1. | Bartė Žiliukaitė               | Faculty of Chemistry and Geosciences             | Biochemistry                                   |
| 1.2. | Arnas Treimakas                | Faculty of Chemistry and Geosciences             | Biochemistry                                   |
| 1.3. | Evaldas Lugauskas              | Faculty of Chemistry and Geosciences             | Chemistry                                      |
| 1.4. | Dovilė Škarnulytė              | Faculty of Chemistry and Geosciences             | Chemistry                                      |
| 1.5. | Gabija Sergejevaite            | Faculty of Chemistry and Geosciences             | Chemistry                                      |
| 1.6. | Pijus Domantas Valentukevičius | Faculty of Chemistry and Geosciences             | Chemistry of Nanomaterials                     |
| 1.7. | Augustas Reikertas             | Faculty of Chemistry and Geosciences             | Cartography and Geographic Information Systems |
| 1.8. | Ivan Poddubnyy                 | Faculty of Chemistry and Geosciences             | Geography                                      |
| 1.9. | Ieva Lipskytė                  | Faculty of Economics and Business Administration | Accounting and Audit                           |

|       |                          |                                                            |                                                                 |
|-------|--------------------------|------------------------------------------------------------|-----------------------------------------------------------------|
| 1.10. | Andželika Nariūnaitė     | Faculty of Economics and Business Administration           | Accounting and Audit                                            |
| 1.11. | Linas Daugėla            | Faculty of Philology                                       | Lithuanian Philology                                            |
| 1.12. | Monika Kazabuckaitė      | Faculty of Philology                                       | Lithuanian Philology                                            |
| 1.13. | Laura Grizickaitė        | Faculty of Philology                                       | English Philology                                               |
| 1.14. | Giedrius Rupšys          | Faculty of Philosophy                                      | Psychology                                                      |
| 1.15. | Ieva Jurevičiūtė         | Faculty of Philosophy                                      | Psychology                                                      |
| 1.16. | Emilija Kasperavičiūtė   | Faculty of Philosophy                                      | Psychology                                                      |
| 1.17. | Greta Jackūnaitė         | Faculty of Philosophy                                      | Psychology                                                      |
| 1.18. | Karina Kamandulytė       | Faculty of Philosophy                                      | Social Work                                                     |
| 1.19. | Elzė Svorobovičiūtė      | Faculty of Philosophy                                      | Childhood Pedagogy                                              |
| 1.20. | Emilija Taletaitė        | Faculty of Philosophy                                      | Childhood Pedagogy                                              |
| 1.21. | Jonė Viktorija Katinienė | Faculty of Philosophy                                      | Childhood Pedagogy                                              |
| 1.22. | Ugnė Spėčiūtė            | Faculty of Philosophy                                      | Subject Pedagogy: English and Another Foreign Language (French) |
| 1.23. | Erikas Cicėnas           | Faculty of Physics                                         | Physics                                                         |
| 1.24. | Erikas Tarvydas          | Faculty of Physics                                         | High-Tech Physics and Business                                  |
| 1.25. | Gertrūda Pociūtė         | Faculty of Physics                                         | High-Tech Physics and Business                                  |
| 1.26. | Goda Bankovskaitė        | Faculty of Physics                                         | Physics                                                         |
| 1.27. | Justina Vaičiaitė        | Faculty of Physics                                         | Physics                                                         |
| 1.28. | Karolina German          | Faculty of Physics                                         | Physics                                                         |
| 1.29. | Margarita Biveinytė      | Faculty of Physics                                         | High-Tech Physics and Business                                  |
| 1.30. | Lukrecija Kneižytė       | Life Sciences Center                                       | Molecular Biology                                               |
| 1.31. | Miglė Šarpilo            | Life Sciences Center                                       | Molecular Biology                                               |
| 1.32. | Gintarė Žvejytė          | Life Sciences Center                                       | Molecular Biology                                               |
| 1.33. | Povilas Kruopis          | Life Sciences Center                                       | Molecular Biology                                               |
| 1.34. | Aina El Ravvas           | Life Sciences Center                                       | Neurobiophysics                                                 |
| 1.35. | Rokas Bertašius          | Life Sciences Center                                       | Neurobiophysics                                                 |
