

# BULLET POINT HINTS ON WHAT THE APPLICANT SHOULD INCLUDE IN EACH SECTION:

## 1 TITLE OF THE PROPOSED PROJECT:

- Make it clear and concise
- It should give an idea of what the project is about

## 2 PROJECT DESCRIPTION:

- Provide an overview of the project
- Explain the purpose and motivation behind the project
- Describe how will you make it happen
- Highlight the significance and potential impact of the project
- Be concise and clear

## 3

## OBJECTIVE AND OUTCOME:

- Clearly state the specific goals and objectives of the project
- Make sure the objectives are achievable and measurable
- Describe how the project will address a specific problem or gap
- Outline the expected outcomes of the project and how will you measure it

## 4 PROJECT TIMELINE:

- Provide a clear timeline for the project
- Make sure the timeline is realistic

## 5 IMPACT AND DISSEMINATION

- Describe how the project will make a difference
- Highlight the benefits and impact of the project
- Explain how the findings or results of the project will be disseminated
- Consider different channels and audiences for dissemination (e.g., social media contents such as photos, short videos, posters, blog articles)
- Is there someone that may help disseminate the findings?
