When applying for the summer exchange program, please attach your curriculum vita, including a recent photograph. Also a motivational letter is required, in which you indicate why you are interested in participating in the program and why you are the perfect candidate for the program.

Because the program is basically free for the participants we expect a large number of applications. Therefore the local committee at Vilnius University will do the first screening of your CV's, application forms and motivational letter. By April 23d the top 25 students will be selected and informed, as there is a second phase to the application process. The 25 selected students will be asked to send in a grade report, an essay regarding a relevant topic in the Netherlands (the topic will be indicated by us) and a recommendation letter. Also, you will be asked to add a copy of the first part of the application when you send in the second part of the application. The deadline for this phase of the application is May 7th 2008. By May 16th the 10 participants of the program will be announced.

In short:

- Before **April 18th** the first application: Motivational letter, application form and Curriculum Vitae.
- **April 23d** the 25 selected students will be informed
- Before **May 7th** the second part of the application process: Recommendation letter, essay and a grade report.
- **May 16th** the 10 lucky winners will be announced!

Please return this application form and it's attachments in a hard copy to:
