

APPROVED

by Resolution No. S-2017-7-5 of 13 June 2017
of the Senate of Vilnius University

(wording of Resolution No. SPN-22 of 19 May 2026
of the Senate of Vilnius University)

REGULATIONS OF THE FACULTY OF MATHEMATICS AND INFORMATICS OF VILNIUS UNIVERSITY

CHAPTER I GENERAL PROVISIONS

1. The Faculty of Mathematics and Informatics (hereinafter the ‘MIF’) of Vilnius University (hereinafter the ‘University’) shall be the internal organisational structure of the University with the status of a core academic unit, within which all types of the principal activities of the University shall be carried out. The MIF shall exercise internal autonomy, the limits of which shall be determined by these Regulations.

2. The MIF shall be established and liquidated, and its Regulations approved, by the Senate of the University (hereinafter the ‘Senate’) upon proposal from the Rector of the University (hereinafter the ‘Rector’).

3. The MIF shall carry out its activity in accordance with the Statute of the University (hereinafter the ‘Statute’), the Regulatory Framework for Research, Artistic Activity and Studies, these Regulations, other legal acts passed by the Senate, the Council of the University, the Rector, and the governing bodies of the MIF within their competency, and the laws and by-laws of the Republic of Lithuania.

4. The activity of the MIF shall be financed from the appropriations from the State budget, the own funds of the University, and other lawfully acquired funds.

5. The MIF shall possess a Senate-approved MIF flag, template, logo, and seal that correspond to the traditions of the University and comply with the requirements set out in the Visual Identity Guide of Vilnius University. The MIF website shall comply with the requirements set out in the Visual Identity Guide of Vilnius University. The template and seal of the MIF shall be used in the MIF operational documents attributed to the MIF competency.

6. The self-governance of the MIF shall be implemented by the Council of the MIF (hereinafter the ‘Council’), established under the procedure laid down by the Statute, the Description of the Procedure for the Election of Members of the Councils of Core Academic Units of Vilnius University approved by the Senate, and these Regulations.

7. The MIF shall be headed by, and the responsibility for its activity shall be undertaken by the head of the MIF – the MIF dean (hereinafter the ‘Dean’), who shall be elected and appointed under the procedure laid down by the Statute, the legal acts approved by the Senate, and these Regulations.

8. The structure of the MIF shall comprise the governing bodies of the MIF (the Council and the Dean) and internal organisational structures provided for in these Regulations – branch academic units and branch non-academic units, and internal academic structures without the rights of an administrative unit (hereinafter the ‘academic structures’).

9. In accordance with the procedure laid down by the law and the legal acts of the University, the MIF may have the right to independently take decisions on public procurement and independently carry out procurement, have a separate budget line for procurement, independently conclude procurement contracts, and use its budget for making payments pursuant to those contracts.

CHAPTER II THE PURPOSE AND OBJECTIVES OF THE ACTIVITIES

10. The activities of the MIF shall be based on the mission, objectives, and principles of activity

of the University set out in the Statute, and the priorities provided for in the Action Plan of the MIF. The purpose of the MIF's activities shall be the following: training highly qualified specialists and researchers; developing research of a high international level; ensuring the unity of science and studies; ensuring the high quality of research and studies; participating in innovative activities and high-tech business development; educating active and responsible citizens and leaders of society.

11. The main objectives of the MIF shall be the following:

11.1. to initiate, organise, and conduct research in the mathematics, informatics and informatics engineering fields of the natural and technological areas of science, as well as interdisciplinary research, and to pursue dissemination of scientific and technological achievements locally and internationally;

11.2. to initiate, organise, and conduct studies of all cycles and non-formal studies, train researchers, participate in training teachers, and carry out other educational or teaching (lecturing) activities;

11.3. to join international research networks and institutions, implement advanced best practices in the areas of research and studies organisation;

11.4. to participate in national and international scientific, studies, and educational programmes and projects, taking into account their relevance to the fields of activity developed by the MIF;

11.5. to build state-of-the-art infrastructure for research, experimental, social, cultural, and technological development, and innovative activity, based on the principles of open access;

11.6. to promote and develop cooperation among science, business, and public sectors by transferring technologies and implementing innovations, cooperate with Lithuanian and foreign study, science, business, and public sector institutions, as well as social partners, and represent the University locally and worldwide;

11.7. to carry out and develop service provision, consulting, and expert activities;

11.8. to nurture the values and long-standing traditions of the University, to encourage the participation of members of the MIF community in general University activities, as well as their socially responsible behaviour and volunteering;

11.9. to nurture and develop relations with the MIF alumni;

11.10. to carry out other activities necessary for the implementation of the University Strategic Plan.

12. The purpose and objectives of the MIF shall be implemented by the MIF community.

13. In accordance with the University Strategic Plan, the MIF shall prepare and implement its Action Plan, which shall identify the priorities, measures for their implementation, time limits, indicators, resources, and persons responsible for the implementation of the measures. The Action Plan of the MIF shall be drawn up for a period of five years in accordance with the University Strategic Plan and the purpose and objectives of the MIF.

CHAPTER III THE COUNCIL

14. The Council shall be a collegial self-governance body of the MIF formed for a period of four years.

15. Members of the Council, with the exception of the *ex officio* member of the Council and student representatives of all study cycles of the MIF, who are delegated under the procedure laid down by the Students' Representation of the University, shall be elected in a direct election by research and teaching staff (hereinafter the 'electors') of the MIF following the requirements specified in Article 12(4) of the Statute.

16. The Council shall comprise 18 members:

16.1. four professors and/or research professors working at the MIF and conforming to the requirements set out in Article 12(4) of the Statute;

16.2. four associate professors and/or senior researchers working at the MIF and conforming to the requirements set out in Article 12(4) of the Statute;

16.3. four members of the academic community working at the MIF and conforming to the requirements set out in Article 12(4) of the Statute, which may also be employees belonging to the groups detailed in Items 16(1) and 16(2);

16.4. one representative of social partners;

16.5. four student representatives of the MIF in accordance with the requirements of Article 21(11) of the Statute;

16.6. Dean (*ex officio* member).

17. Each branch academic unit of the MIF shall be represented by one representative of each of the categories indicated in Items 16(1)–16(3), working at the branch unit of the MIF.

18. The general requirements for the procedure for electing and recalling the members of the Council shall be set out in the Description of the Procedure for the Election of Members of the Councils of Core Academic Units approved by the Senate. A Council member may be recalled by the entity that has elected or appointed the said Council member due to a crime, misdemeanour, administrative offence, disciplinary or official misconduct, gross violation of the Statute or the Code of Academic Ethics, or any other breach of legal or moral norms that is inconsistent with the duties of a Council member. Additional grounds and procedures for recalling students' representatives from the Commission shall be set out by the Students' Representation of the University.

19. The Council election (including the registration of candidates) shall be organised and its results established by the electoral commission of the MIF. The composition of the electoral commission of the MIF, upon proposal from the Dean of the MIF, shall be approved and its chairperson shall be appointed by the Central Electoral Commission. Members of the electoral commission may not stand as candidates to members of the Council. Members of the Council – students' representatives – shall be appointed (elected) following the procedure laid down by the Students' Representation of the University in accordance with the requirements laid down in Article 21(11) of the Statute.

20. The Council shall elect its chairperson from among its members. Upon proposal from its chairperson, the Council shall approve the deputy chair. The Dean, Vice-Deans, representatives of social partners, and students' representatives shall not be elected the chairperson of the Council or the deputy chair. The chairperson of the Council and the deputy chair shall not work at the same branch unit. In the event that the chairperson of the Council is unable to perform their duties due to illness or other important reasons, their functions shall be performed by the deputy chair of the Council.

21. The activity of the Council shall take the form of meetings. A meeting of the Council shall be deemed lawful if it is attended by at least two-thirds of the members of the Council. In the exercise of its powers, the Council shall adopt resolutions. Resolutions of the Council shall be adopted by a simple majority of the present members of the Council, except in cases when these Regulations or the Rules of Procedure of the Council call for a qualified majority. Minutes of Council meetings, resolutions, and legal acts approved thereby shall be registered in the University document management system and made public following the procedure established by the MIF.

22. Members of the Council must notify the Council of any potential conflict of interest that may arise from addressing an item on the agenda for a meeting and withdraw from the consideration and resolution of that item. A member of the Council shall have a duty to withdraw in any of the following circumstances, when:

22.1. the matter directly relates to the member of the Council themselves;

22.2. the matter relates to persons with whom the member of the Council is related by a close relationship of consanguinity, affinity, marriage, partnership, or guardianship;

22.3. the member of the Council, their spouse (cohabitant), or their close relatives have a direct or indirect interest in the outcome of the item under consideration.

23. The Council shall:

23.1. approve its Rules of Procedure;

23.2. elect the Dean and submit the candidature to the Rector for appointment;

23.3. express no-confidence in the Dean if it is voted for by at least two-thirds of all members of the Council, or by a simple majority decide on no-confidence in the Dean expressed by the Rector. The decision shall be passed by a secret ballot;

23.4. in the event that the Rector, by a reasoned decision, does not appoint the Dean elected by the Council, organise a repeated election for the position of the Dean;

23.5. upon proposal from the Dean, approve the elected heads of the branch academic units;

23.6. upon proposal from the Dean, approve the Action Plan of the MIF;

23.7. consider and approve the annual performance report of the MIF submitted by the Dean and submit the Council's decision and the performance report of the MIF on the implementation of the Action Plan of the MIF to the Rector for familiarisation no later than by 1 March;

23.8. in the event that the Council does not approve the annual performance report of the MIF, the Rector is informed thereof and the period of one month is provided within which the Dean is to correct and/or revise the report and present it to the Council for reconsideration; if the Council repeatedly refuses to approve the annual performance report of the MIF, the Council then issues a vote of expressing no-confidence in the Dean and immediately informs the Rector thereof; in this case, the Rector may also express no-confidence in the Dean;

23.9. upon proposal from the Dean, establish the number of the vice-deans, approve the vice-deans and their areas of activity;

23.10. upon proposal from the Dean, establish or liquidate branch academic units and propose to the Rector that related amendments to the MIF Regulations be submitted to the Senate for approval;

23.11. upon proposal from the Dean, consider and propose to the Rector that amendments to the MIF Regulations be submitted to the Senate for approval;

23.12. upon proposal from the Dean, consider and approve the regulations of branch academic units;

23.13. upon proposal from the Dean, consider proposals to the Rector on the establishment and liquidation of branch non-academic units;

23.14. upon proposal from the Dean, adopt decisions on the establishment and liquidation of structures indicated in Items 41 and 47;

23.15. upon proposal from the Dean, approve the implementation reports on the annual revenue and expenditure estimates of the MIF;

23.16. upon proposal from the Dean, approve the fields of research, the topics of research of the academic structures, as well as the programmes of research, experimental, social, and technological development and innovative activities of the MIF;

23.17. select and submit to the Rector for approval the composition(s) of the Doctoral Studies Committee(s) for the relevant field(s) of science;

23.18. consider study programmes and submit them to the Senate for approval following the procedure established at the University;

23.19. establish the committees for study programmes implemented at the MIF and approve their chairpersons;

23.20. consider proposals from the Dean regarding the number of student places at the MIF and the requirements for admission;

23.21. upon proposal from the Dean, approve the legal acts regulating research and studies at the MIF that do not fall within the competency of the Senate and the Rector or their authorised person;

23.22. get familiarised with the outcomes of the institutional evaluation, comparative expert assessment, and formal assessment of research activities and study fields, the implementation plans of submitted self-analyses and feedback reports or recommendations, and monitor the implementation plans;

23.23. consider and submit to the Rector the candidates for the titles (status) laid down in the Regulations on Emeritus, Affiliation and Honours of the University;

23.24. consider proposals from the Dean to the Rector to announce competitions for the positions of professor and research professor;

23.25. upon proposal from the chairperson of the Council, establish the Academic Ethics Commission of the MIF and appoint its chairperson;

23.26. upon proposal from the chairperson of the Council, establish the Dispute Resolutions Commission of the MIF and appoint its chairperson;

23.27. perform other functions established in the legal acts of the University, as well as exercise power not directly specified in the legal acts that relates to the purpose of the Council laid down by Article 28(3) of the Statute and Item 6 of these Regulations.

CHAPTER IV THE DEAN

24. A person who conforms to the requirements for a head of a core academic unit specified in the Statute shall be eligible to be appointed the Dean.

25. The Dean shall be responsible and accountable to the Council and the Rector. The Dean shall be an *ex officio* member of the Rectorate and shall participate in the strategic governance of the University. On the issues of the economy and asset management, as well as other issues of the organisation of non-academic activities of the MIF, the Dean shall also be accountable to the Chancellor.

26. The Dean shall be elected for a period of five years in accordance with the Statute and these Regulations.

27. The competition for the position of the Dean shall be announced by the Council no less than four months before the end of the term of office of the outgoing Dean. The time limit set out in this Item shall not apply when the mandate of the Dean is terminated before the end of the term of office on other grounds.

28. The competition for the position of the Dean (including the registration of candidates) shall be organised, and its results shall be established by the electoral commission of the MIF. Members of the electoral commission of the MIF may not stand as candidates for the position of the Dean.

29. Under the procedure laid down by the Statute and these Regulations, the Dean shall be elected from the candidates for the position by secret ballot by the Council, which then shall submit it to the Rector for appointment. The Dean shall be considered elected if the candidate receives more than half of the votes of all members of the Council.

30. If none of the candidates receive more than half of the votes of all members of the Council, a repeated secret ballot shall be organised, in which the candidate who received the highest number of votes during the first round and the candidate who received the second highest number of votes (or more than one candidate if they received an equal number of votes), or two or more candidates who received the highest and equal number of votes shall participate. If the Dean is not elected in the repeated voting, the Council shall announce a new competition for the position of the Dean.

31. The results of the election for the position of the Dean shall be published by the electoral commission of the MIF on the website of the MIF no later than the next working day after the election. The results of the election for the position of the Dean, no later than within two working days after they were made public, may be appealed by submitting a complaint to the Central Electoral Commission, which, no later than within five working days, shall examine the complaint and leave the results of the election unchanged or declare the election invalid. Having declared the election invalid, a repeated secret ballot shall be organised with the participation of all candidates.

32. The Council shall inform the Rector in writing of the results of the successful election for the position of the Dean no later than on the next working day, proposing to appoint the selected candidate as the Dean. If the elected Dean is not appointed to the position under a reasoned decision of the Rector, the Council shall announce a repeated election for the position of the Dean. Until the Dean is elected, the Rector shall appoint one of the vice-deans of the outgoing Dean to temporarily head the unit, or, in the event that there are none – another employee of the MIF.

33. The same person shall not serve as the Dean for longer than two consecutive terms. This provision shall also apply when the person did not hold the position of the Dean for a full term (during either of the terms).

34. The Dean shall have vice-deans, one of whom shall be responsible for the organisation of studies at the MIF. All vice-deans shall be subordinate and accountable to the Dean. Upon proposal from the Dean, the vice-deans and their areas of activity shall be approved, and decisions on their

dismissal shall be taken by the Council.

35. The term of office of the vice-deans shall correspond to that of the Dean: after the election and appointment of the new Dean, the terms of office of the Dean and the vice-deans shall expire. The newly elected and appointed Dean may submit a proposal to the Council to temporarily extend the term of office of the outgoing vice-deans until new vice-deans are appointed following the procedure established in these Regulations.

36. The Dean shall:

36.1. be responsible for the management of the MIF and the implementation of the Action Plan of the MIF in accordance with the University Strategic Plan;

36.2. be responsible for the compliance of the activities of the MIF with the Statute, laws and their implementing legislation, and the legal acts of the University;

36.3. be responsible for the overall efficiency of study programmes and research as well as the quality of development; ensure coherence between study programmes and research, experimental and technological development, and innovative activities;

36.4. draft the Action Plan of the MIF and its amendments and submit them to the Council for approval; organise measures, accumulate resources, and create incentives necessary for the implementation of the Action Plan of the MIF; monitor, control, and regulate the implementation progress of the Action Plan of the MIF, as well as take responsibility for the Action Plan's implementation quality;

36.5. submit the annual performance report of the MIF to the Council for consideration;

36.6. submit the candidatures of the vice-deans of the MIF, their areas of activity, and proposals to dismiss them to the Council for approval. The elected and appointed Dean may submit the candidatures of vice-deans to the Council for approval before the start of the Dean's term of office;

36.7. submit proposals to the Council on the establishment and liquidation of branch academic units and, upon the approval of the Council, propose to the Rector that the relevant amendments to the Regulations of the MIF be submitted to the Senate for approval;

36.8. submit the elected heads of branch academic units to the Council for approval;

36.9. submit proposals to the Council on the amendments to the Regulations of the MIF;

36.10. submit the regulations of branch academic units to the Council for consideration and approval;

36.11. submit proposals to the Council on the establishment and liquidation of structures indicated in Items 41 and 47 of the Regulations;

36.12. submit proposals to the Council on the establishment and liquidation of branch non-academic units. Upon the approval of the Council, propose to the Rector that the aforementioned units be established and/or liquidated;

36.13. submit proposals to the Council on the establishment of pro-rata reallocations from the funds of branch academic units of the MIF for general purposes of the MIF;

36.14. submit the implementation reports on the annual revenue and expenditure estimates of the MIF to the Council for approval;

36.15. submit proposals to the Council on the programmes of research, experimental and technological development, and innovative activities of the MIF;

36.16. upon the approval of the Council, submit proposals to the Rector on the number of student places and admission requirements at the MIF;

36.17. submit proposals to the Rector or their authorised persons on the sizes of the cost of tuition of studies carried out by the MIF, fees not directly related to the implementation of study programmes, and other services provided by the MIF;

36.18. submit the rules governing studies and research at the MIF to the Council for approval;

36.19. upon the approval of the Council, propose to the Rector that competitions for the positions of professor and research professor be announced;

36.20. propose to the Rector that employees of the MIF be employed, dismissed, or awarded incentives;

36.21. ensure the professional development of the employees of the MIF;

- 36.22. organise and ensure lawful and efficient use of the MIF's funds and assigned assets;
- 36.23. take responsibility for public procurement at the MIF;
- 36.24. take responsibility for the international relations of the MIF;
- 36.25. coordinate the conclusion of contracts necessary for research and studies activities carried out at the MIF and ensure the execution of contracts concluded at the initiative of the MIF;
- 36.26. implement the quality policy of the University at the MIF, monitor its execution, and take responsibility for the MIF reaching the quality indicators;
- 36.27. perform other functions and characteristic duties conferred on the Dean by the legal acts of the University.

37. In implementing the Action Plan of the MIF, and the functions and tasks assigned to them, the Dean shall, within their competency, issue orders, decrees, and give binding instructions to the academic community and other employees of the MIF. Decisions taken by the Dean shall be registered in the University document management system.

38. A permanent board – the Dean's Office – shall advise the Dean on the issues of the organisation of activities. The composition of the Dean's Office must include the vice-deans, the heads of the branch academic units, and the chairperson of the Students' Representation of the University at the MIF. The activity of the Dean's Office shall take the form of meetings. The meetings of the Dean's Office shall be headed by the Dean or a chairperson of the meeting appointed by them.

39. The Dean may establish activity planning, international advisor, trustee, and other structures to advise them on a temporary or permanent basis.

40. The mandate of the head of the Dean shall be terminated at the end of their term of office, upon their resignation, or their death. The Dean shall immediately resign in the event that the Council expresses no-confidence in them by a majority of two-thirds of all Council members or that the Council, by a simple majority, approves the no-confidence expressed by the Rector. If the Dean, in whom the Council or the Rector had expressed no-confidence, does not resign immediately following the adoption of the relevant decision by the Council, their employment contract shall be terminated on the grounds of infringement of this Item and Article 28(4) of the Statute, which constitutes gross violation of professional duties. Until a new Dean is elected, the Rector shall appoint one of the vice-deans to temporarily head the unit, or, in the event that there are none – another employee of the MIF.

CHAPTER V STRUCTURAL UNITS

41. The structural units of the MIF shall be branch academic units with the rights of an administrative unit – institutes, and branch non-academic units with the rights of an administrative unit (divisions, services, etc.), the number and purpose of which shall be determined following the efficient management priorities of the MIF. Organisational structures without the rights of an administrative unit may also be established within the MIF; the organisation of the activities of which shall be determined by the Dean.

42. An institute shall be a structural unit of the MIF, the principal activities of which shall be research and studies. The number and names of the institutes shall be established in the Regulations of the MIF. The name of an institute, alongside the name of the University, shall be used in the affiliations of scientific publications and other documents related to scientific activity.

43. An institute shall have its regulations, prepared following the Model Regulations of a Branch Academic Unit and taking into account the Regulations of the MIF. The regulations of an institute, coordinated with the Legislative Division of the University Central Administration, shall be approved by the Council upon proposal from the Dean.

44. In accordance with the procedure laid down by the law and the legal acts of the University, an institute may have the right to independently take decisions and implement them, while maintaining accountability to the Dean, have a separate budget line for procurement, conclude procurement contracts, and make payments pursuant to them.

45. The branch academic units of the MIF shall be the Institute of Data Science and Digital

Technologies (*Duomenų mokslo ir skaitmeninių technologijų institutas* in Lithuanian), the Institute of Computer Science (*Informatikos institutas* in Lithuanian), the Institute of Mathematics (*Matematikos institutas* in Lithuanian), and the Institute of Applied Mathematics (*Taikomosios matematikos institutas* in Lithuanian), as well as other structures approved by the Council.

46. An institute shall have its head – a director of an institute, elected following the procedure set out in the Model Regulations of a Branch Academic Unit, who shall be accountable to the Council and the Dean. The director of an institute shall be a person with a scientific degree who meets the qualification requirements for the job position.

47. Organisational structures without the rights of an administrative unit (departments, scientific thematic groups, laboratories, centres, etc.) may operate within an institute. In cases when required by national legal acts and/or contracts and when targeted funding is available, units having the rights of an administrative unit may be established and liquidated, subject to the Council's approval upon proposal from the Dean, with approval from the Senate, following the Rector's decision. The posts of the heads of academic structures shall not be considered positions. Academic structures may be established on an inter-institute basis or, upon an agreement with another core academic unit, on an inter-faculty basis.

48. A branch non-academic unit shall be a structural unit of the MIF, which shall provide services ensuring the academic activities of the MIF and/or performing other non-academic functions of the MIF. Branch non-academic units shall be established and liquidated by the Rector upon proposal from the Dean. The regulations of a branch non-academic unit shall be approved by the Dean.

CHAPTER VI RESEARCH AND STUDIES

49. The MIF shall carry out research in the fields of mathematics, informatics, and informatics engineering of the natural and technological areas of science, as well as interdisciplinary research, of a high international level.

50. Organisational academic structures without the rights of an administrative unit (departments, scientific thematic groups, laboratories, centres, etc.) may be established at institutes for organising and carrying out research.

51. The MIF shall organise full-time and part-time studies. In accordance with the procedure laid down by the law and the legal acts of the University, studies of three cycles – first (Bachelor), second (Master and professional (special)), and third (Doctoral studies) – shall be carried out, as well as minor field, and bridging, pedagogical specialisation, module studies of teaching a school discipline, and non-formal studies.

52. The studies of the first and second cycle shall be coordinated and administered by the vice-dean of the MIF, who is responsible for the organisation of studies, and the Studies Office, which is subordinate to the Dean.

53. The study programmes of the first and second cycle shall be coordinated, their implementation supervised, and reported to the Council by study programme committees by study programme committees. Study programme committees shall be formed and act following the procedure set out in the legal acts of the University.

54. The chairpersons of the study programme committees of the MIF and a delegated person of the Students' Representation of the University shall form a board of studies, which shall advise the vice-dean of the MIF responsible for the organisation of studies.

55. Following the procedure set out in the legal acts, for the purpose of organising and implementing Doctoral studies, Rector-approved Doctoral studies committee(s) for the relevant field(s) of science shall be formed. A school of Doctoral studies may also be established following the Regulations of the Schools of Doctoral Studies approved by the Senate.

CHAPTER VII

THE ASSETS OF THE MIF

56. The funds of the MIF shall comprise:

56.1. the share of appropriations from the State budget received by the University, which, following the procedure established in the legal acts, is intended to finance first and second cycle studies, Doctoral studies, and research at the MIF, after deductions for general University purposes established at the University;

56.2. own funds and endowment funds received by the MIF for studies and educational services, as well as for implementing scientific, innovative activities and technological development, after the allocation of part of the funds established at the University to cover general expenditures of the University;

56.3. funds received as support to the MIF, and other lawfully obtained funds, after the allocation of part of the funds established at the University to cover general expenditures of the University.

57. The assets managed and used by the MIF shall be part of the University assets assigned to it for the purpose of implementing the activities established in these Regulations following the procedure set out in the legal acts of the University. The assets of the MIF shall be accounted following the procedure established at the University.

CHAPTER VIII

INTERNAL ADMINISTRATION CONTROL OF THE MIF

58. The control of the financial and economic activities of the MIF shall be exercised by the Chancellor or their authorised employees following the procedure established at the University.

59. The control of the implementation of the Action Plan of the MIF shall be exercised by the Rector or their authorised person based on the conclusion submitted to the Rector by the Council.
