

Dear colleagues,

Linköping University is excited to invite your students to join the [Linköping University Summer Academy](#) 2026!

The Summer Academy will take place from June 26 to July 25, 2026, in Linköping, Sweden.

Students can choose from 8 entry-level bachelor courses (7.5 ECTS each) taught in English and enjoy cultural experiences alongside peers from LiU's international partner universities around the world. Students attending the Summer Academy for less than 90 days are not affected by the Swedish Migration Agency's extended passport control.

LiU aims to create a diverse and international student group, and partner universities are welcome to nominate up to 5 students per course. For students from LiU's partner universities, the Summer Academy is tuition-free. Alongside lectures and coursework, a variety of social activities and a fun program will be offered, organized by our student hosts.

Housing will be provided in fully furnished single rooms with a private bathroom, new bed linen and towels, shared kitchen access, final exit cleaning, and a regional bus pass - all for a total cost of SEK 7,200. [[currency converter](#)]

For more information, please visit our OneDrive  [LiU Summer Academy for partners 2026](#), which includes the updated FAQ for partners, the nomination certificate, and our promotional flyer for the LiU Summer Academy 2026. If you have any questions, please don't hesitate to contact us.

We look forward to welcoming your students to Linköping University!

Best regards

Jessica Sandblom

Project Manager LiU Summer Academy
