As a partner university, **your students benefit from a preferential rate for the programme**, which is even more advantageous during the **Early Bird period** (applications submitted **before 13 April**).

To benefit from the Early Bird rate, students simply need to **complete their registration before the deadline**; payment can be made at a later stage.

What is the **2026 Sciences Po Lille Summer School** about:

If your students are looking for an **unforgettable and enriching summer**, our **Summer School** offers a **unique opportunity to experience Europe from within**, including a field trip to Brussels and its European institutions.

Participants will have the opportunity to:

- **explore the past, present, and future of Europe**
- strengthen their **French language skills**, **discovering both the language and the culture**
- connect with **students from around the world**
- step into **history** with **exclusive trips to Paris and Brussels**

This **4-week programme** is designed to help students gain a **deeper understanding of contemporary Europe in an international learning environment.**

We would be grateful if you could share this information and the attached flyer with interested students, as **the Early Bird deadline is Monday 13 April at midnight (Paris time).**

Please feel free to contact me if you have any questions.

We look forward to welcoming your students!

Kind regards,
Francesca
